

As the days draw shorter and we head towards the end of September, attention switches to the annual Focus exhibition at Chelsea Harbour. Running this year from Sunday 27th to Wednesday 30th Stark will be taking the opportunity to present our new products & ranges in the showroom, and as part of the event we are particularly pleased to be launching a brand new collection of loop and velvet pile carpets & rugs from Nina Campbell...

Stark Talk

"After working with Stark Carpet for many years using their product and experiencing the fantastic service in the USA and UK, it was very clear who I wanted to be with when I designed my new carpet collection. Designing carpet is altogether a different process to designing textiles and Stark's expertise has successfully translated some of my favourite designs to floor coverings."

Nina Campbell's new range will be launched at Decorex stand C102.

Featured here, and ideal for residential use, Brigade is a classic Brussels Weave Wilton carpet with a distinctly tailored look available in five beautiful colourways. ([Click here](#) if you'd like to see some of the other colourways)

Stark Commitment

With over 500 desirable designs in our showroom, we work hard to ensure we can offer you a flooring solution to meet all budgets. As always, it's backed by a first class service from a professional sales team who will work with you all the way from the initial selection process right through to final fitting. To discuss your requirements, please call Judy Afia or one of the team on 020 7352 6001.

Stark & New

Inspired by traditional Moroccan designs and weaving techniques, these new custom made rugs are hand crafted from a combination of high quality mohair and wool to give a soft luxurious texture that feels as good as it looks. [Click here](#) to request this brochure.
