

With days at their longest and natural daylight at its best, summer months present the ideal showcase for lighter tones and subtle shades. This month we focus on some of the most striking designs from the Stark portfolio designed to help accentuate that summer feeling.

## Stark & New

Pictured here the City Blocks carpet range represents the perfect solution for both residential and commercial installations. Available in six colourways it's a sleek sophisticated design, featuring random textured loop on loop pile in 100% wool. Native New Yorker Randy Ridless created this handsome 100% wool rug exclusively for Stark as part of a wider collection. Demonstrating the art of hand stitching at its most stunning, this beautiful rug sets off white and cream hues perfectly. ## Stark Talk

*'Whenever I bring new clients into the Stark showroom, they are always impressed by the immense range of styles on offer, from the most classical to the highly contemporary... I find it an invaluable resource. Visiting the showroom in the early stages of a project, a confused client will usually find "just the thing"'*
