

STARK® &...

This month we're introducing a new and exclusive range of beautiful rugs to our London showroom, and showcasing Stark carpet in a delightful country club location...

Stark & New

New into the showroom for February, these beautiful linen Soumak rugs form part of a new Stark collection available direct from our US inventory. We have seven different designs now on display at our Chelsea Harbour showroom, or [click here](#) if you'd like to see some of our other rug designs.

Featured here in a country club setting is the sumptuous Sequoia carpet. A chic wool and art silk design classic available in three colourways, it's pictured here in Moss. ([Click here to view alternative colourways](#))

Stark Talk

"Stark provides one of the largest and most diverse selections of 'off the peg' broadlooms - from sisals through to pure wool and linen, which added to their bespoke service for carpets or rugs gives me the opportunity to create whatever I want to suit my projects.

For me, Stark designs are so usable whether I am working on a traditional or a contemporary scheme. The palate is fresh and clean and my clients are always happy!

Stark is my first stop whenever I start a new project."

Mark Gillette
