

STARK® &...

May sees the introduction of a brand new range of crisp, fresh, trellis & geometric carpets in contemporary colours to complement our very successful Stark Studio Collection.

Stark & New

Comprising three elegant and striking designs, the Trellage Collection is a classic Brussels weave carpet, available in six delightful colourways from bedroom vanilla to drawing room flannel grey, and in a wide width of 3.66m. Versatile as well as chic, it can easily be made into rugs using matching carpet borders or separate suede or leather edging.

Stark & Talk

"Reach for the Stark boxes! We meet Judy Afia and her team regularly and update our showroom boxes with samples that the team like and want to use.

So when we are scheming out, we can usually find something that just fills that gap. The range is so wide that we can source virtually anything from a Brussels weave carpet with an intricate border for an historic interior through to a totally hip rug for a modern penthouse."
