# STARK® &...

As summer draws ever closer we look forward to those longer days with some brand new and very bright stripes, feature a stunning hand knotted rug, and focus on the impact of a newly installed design in one of London's leading hotels.

## Stark & New

As bright and colourful as canvas deck chairs the narrow stripes of Longworth create an immediate and positive impression. It's a traditional woven Wilton construction and available in narrow width making it ideal for stair runners or even as wall to wall carpet. Longworth is just one example of Stark's portfolio of stripes.
